MISCELLANEOUS READING.

A WARRIOR QUEEN KILLED IN INDIA. An Indian letter in the London Times announces the death of the Rance (Queen) of Jhansi, at the bands of the British before Gwalior. Though but 23 years of ago, she is said to have resembled the great Russian Catherine in her administrative powers, and upon the death of the late ruler of Jhanei was called to the throne. The writer adds:

"Not lacking either spirit or ambition, she accepted the offer, and for a time ruled well. But the spark had tuched the train; Bengal PERUVIAN GUANO was in a flame; and now or never was her time to regain that independence from the British yoke ber ancestors bad lost. We DIRECT TO THIS PORT, FROM THE know what her first steps were-the blood of our fellow-creatures bears witness to them; and through well meaning men have endeavored to show, and I sincerely hope with truth, that the atrocities attributed to her were greatly overrated, they still admit, reluctantly, that these poor creatures were only cut to pieces. Henceforth, of course, it was war to the knife. She became the very soul of the movement in those parts. Her forts were strengthened, hermon gathered together in masses; stores laid in; and every preparation made for siege or fight. For herself, she dressed in male-attire, for greater convenience in the saddle or the fight; was armed to the teeth; formed a small but devoted bodyguard of picked borsemen, at the heed of which she appeared to be almost ubiquitous. Was there a flugging of the necessary tervor? -she was on the spot to rally and to rouse .-Was there the voice of disaffection heard?she, by her presence, turned it to a shout of joy. Was there danger on the rampart wall, Organic matter, yielding ammonia ...... 14.55 and men buog back in fear? there, sword in Water. .... 8.55 hand, she led the way, and braved the fiery 10 way with her body guard to Calpee. Here Sand and other insoluble matter ...... 15.92 the same determined will was seen, here the same spirit shown. Beaten, but not conquered, she rapidly followed the clever move of Tantia Topee on the Gwalier, previous to which, from the attack on Jhansi to the fall of Calpee, she hand fought no less than six actions against our forces, commanded by Sir Hugh Rose in person. As before at Jhansi, she was always first at Gwalior, and even at the last, fell sword in band when struck by

A DISCRIMINATING PAUPER.

A friend of ours, who has served as Inspector of a House of Industry, told us of an amusing case of epicureanism in poverty that once came under his notice. "How do you Organic matter yielding ammonia..... 9.30 like it here?" he asked of one of his male 6.00 gards the fare but you might do better about the clothes." "Ab?" "If I should be allow-table, Portsmouth for its wardrobe, and Concord for general freedom, extending to the re-finements of social life. I've tried 'em all sir, and if ever you come to it, you will find

it just as I tell you." A fat candidate for office in Alabams, who is said to weigh three hundred and seventyfive pounds, asks the people of his district to

try him. I ONGWORTHY'S PURE OHIO CATAW-BA BRANDY .- This Brandy has been manufactured for several years from the PURK JUICE of the CATAWBA GRAPE, thus affording additional evidence of the progress of American enterprise and industry, and of our ability to pro-
